# FOREWORD

## "Ten Years After - "

In September of 1962, nearly a decade ago, Charleston County School District #20 announced the birth of its new infant, East Side High School. The administrators, Mr. N. L. Manigault, and Mr. G. D. Stanyard, the faculty, and other members of the staff welcomed the students. The infant was later renamed in honor of Mr. Charles A. Brown, a past member of the school board.

As an infant and throughout her formative years, Charles A. Brown High School has achieved many successes. Among our accomplishments are the following: Accreditation by the Southern Association of Secondary Schools and Colleges, acclaim by our citizens for having presented two musicals, "My Fair Lady" and "Hello Dolly", championships in athletics in our division and improvements in our physical plant. Individual students at Charles A. Brown have also met with success in local and state sponsored programs and activities.

Still a young child, Charles A. Brown High School is proud of her accomplishments and feels that not many schools can boast of laurels comparable to hers.

Today "Ten Years After - ", we enter the next decade not only with pride in our past achievements, but with determination to make even greater progress.

Dear Brownites,

After ten years-what? That all Brownites should take this opportunity to appraise the first decade (1962-1972) through which Charles A. Brown, our beloved school, has just passed is altogether fitting. Because of our glorious past, we have the ever challenging present and a promising future.

Although we can glory in our past achievements, we must not be unmindful of our weaknesses. These are the challenges we must face here and now. With fellowship, as well as leadership, let us strive for greater academic and extra-curricular excellence, improved standards of behavior and, most of all, the best image for our school.

Class of 1972, we are looking for the best from you. If your thinking is RIGHT ON the inside, it helps tremendously to make things go RIGHT ON the out side. Remember "Success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome while trying to succeed."

Educationally yours,

George D. Stanyard

# VICE-PRINCIPAL

## To the Graduates:

For the ten year period 1902-1912, Charles A. Brown High School has been engaged in the business of educating her offspring. Thus far, she has placed on the market many good products, even far and near, yet, they have stood the test along with and by some of our nation's best products.

In the past decade many Brownites have brought glory and fame to 'Dear Old C. A. Brown.' I say to you, the graduating class that ends the first decade, let your endeavors be so directed that in the next decade, you, along with many of your friends, can and will be singled out as the one to keep the "ball rolling" for 'Dear Old C. A. Brown.'

Yours truly,

## Driver's Education Program

The driver's education program at Brown offers a complete study of driving to all students who are desirous of taking the course. The department is headed by Mr. Johnny Bines. Also this year, Mr. Mack Drayton, a drivers' education instructor, brought a simulator to Brown for the drivers education students for a period of six weeks. The simulator was a big help to the students in learning the skills of driving.

# PORTRAIT OF A COACH

Coach Kenneth Williams, a native of Columbia, South Carolina, began as Head Basketball Coach at C. A. Brown in the fall of 1963. He played his high school basketball at Mather Academy and college basketball at Johnson C. Smith University in Charlotte, North Carolina. During the past nine years he established a winning record. He was selected to coach the All Star Team of South Carolina in 1967. His team also won the State Title in 1967. He coached the only team to win the lower state title in its first year.

Because of personal illness Coach Kenneth Williams was forced to retire as basketball coach at C. A. Brown. His winning ways will always be remembered at Charles A. Brown High. Let his record speak for itself.

## From the Editor

As editor of the ninth yearbook of Charles A. Brown High School, it gives me great pleasure to present the Pantherama of 1972. I would like to pay tribute to all of the other editors of previous books for making sure that there would be place for the Pantherama Staff of C. A. Brown.

The staff has presented events as they occurred during this school term and we hope that the Pantherama will always be a treasured memoir of "Dear C. A. Brown".

I would like to thank the staff of the Pantherama, especially the Associate Editor and the adviser.

*Terence Robinson*

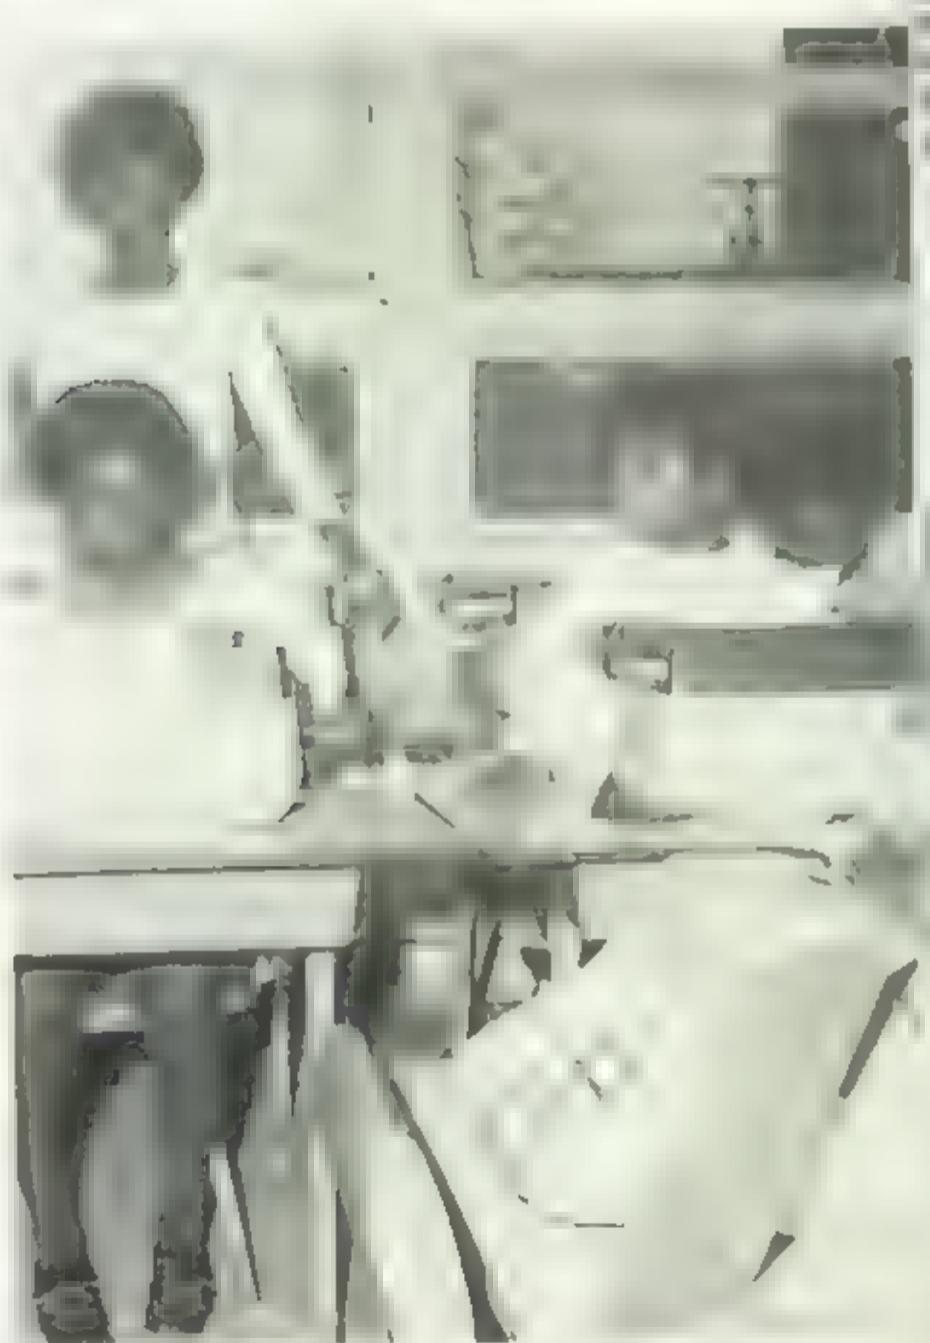

# STAFF AT WORK

"C'mon, man, let's go home."

"What page does this go on?"

"Hand me the eraser."

### In Memoriam

The graduating class of 1972 wishes to dedicate this memoriam to Ada Margarett Fields and Arthur Anthony Hilton who were both members of our class.

Our hearts are saddened by the deaths of two devoted and beloved members of our class. We're hoping that Ada and Arthur are in peace; that God in all his glory has preserved a special place for young souls.

Mr. Charles A. Brown  
Simonton School  
Graduation 1960

Alma Mater  
(Tune, "Londonderry Air")

Dear C.A. Brown — O how O how we love you—  
We love you true — your Alma Mater too —  
And with your help we'll climb the ladder of success  
Remembering you helped us to do the rest.

Chorus:

Oh C.A. Brown — forever we will think of thee  
Remembering all the times we spent with you —  
Dear C.A. Brown — we'll love you more and more each day  
Until the tie that binds us all will roll away.

Dear C.A. Brown when time has passed and you grow old  
We won't forget the good you've done for us  
And we will love you more and more each passing day  
Remembering you helped us to pave the way.

Chorus:

(Repeat the last line of the chorus at the end)
